2009 (SOUTH AFRICA) NOTICE 2012**

**AGREEMENT BETWEEN THE GOVERNMENT OF GIBRALTAR
AND THE GOVERNMENT OF THE REPUBLIC OF SOUTH
AFRICA
FOR THE EXCHANGE OF INFORMATION RELATING TO TAX
MATTERS**

PREAMBLE

WHEREAS Gibraltar and South Africa (the “Parties”) recognise that present legislation already provides for cooperation and the exchange of information in criminal tax matters;

WHEREAS the Parties have long been active in international efforts in the fight against financial and other crimes, including the targeting of terrorist financing;

WHEREAS it is acknowledged that Gibraltar under the Terms of its Entrustment from the United Kingdom has the right to negotiate, conclude, perform and, subject to the terms of this Agreement, terminate a Tax Information Exchange Agreement with South Africa;

WHEREAS Gibraltar on 27 February 2002 entered into a political commitment to the OECD’s principles of effective exchange of information relating to taxes;

WHEREAS the Parties wish to enhance and facilitate the terms and conditions governing the exchange of information relating to taxes;

NOW, THEREFORE, the Parties have agreed to conclude the following Agreement which contains obligations on the part of Gibraltar and South Africa only:

**ARTICLE 1
SCOPE OF THE AGREEMENT**

The Parties through their competent authorities shall provide assistance through exchange of information that is foreseeably relevant to the administration and enforcement of the domestic laws of the Parties concerning the taxes covered by this Agreement. Such information shall include information that is foreseeably relevant to the determination, assessment, and collection of such taxes, the recovery and enforcement of tax claims, or the investigation or prosecution of tax matters. A requested Party is not obliged to provide information which is neither held by its

authorities nor in the possession or control of persons who are within its territorial jurisdiction. The rights and safeguards secured to persons by the laws or administrative practice of the requested Party remain applicable to the extent that they do not unduly prevent or delay the effective exchange of information.

**ARTICLE 2
TAXES COVERED**

1. The taxes which are the subject of this Agreement are taxes of every kind and description imposed by the Parties at the date of signature of the Agreement.
2. This Agreement shall apply also to any identical taxes imposed after the date of signature of the Agreement in addition to or in place of the existing taxes, or any substantially similar taxes if the Parties so agree. The competent authority of each Party shall notify the other of substantial changes in laws which may affect the obligations of that Party pursuant to this Agreement.

**ARTICLE 3

**ARTICLE 4
EXCHANGE OF INFORMATION UPON REQUEST**

1. The competent authority of the requested Party shall provide upon request by the requesting Party information for the purposes referred to in Article 1. Such information shall be exchanged without regard to whether the conduct being investigated would constitute a crime under the laws of the requested Party if it had occurred in the territory of the requested Party. The competent authority of the requesting Party shall only make a request for information pursuant to this Article when it is unable to obtain the requested information by other means, except where recourse to such means would give rise to disproportionate difficulty.

2. If the information in the possession of the competent authority of the requested Party is not sufficient to enable it to comply with the request for information, that Party shall use all relevant information gathering measures to provide the requesting Party with the information requested, notwithstanding that the requested Party may not need such information for its own tax purposes.

3. If specifically requested by the competent authority of the requesting Party, the competent authority of the requested Party shall provide information under this Article, to the extent allowable under its domestic laws, in the form of depositions of witnesses and authenticated copies of original records.

4. Each Party shall ensure that its competent authorities for the purposes specified in Article 1 of the Agreement, have the authority to obtain and provide upon request:

- (a) information held by banks, other financial institutions, and any person, including nominees and trustees, acting in an agency or fiduciary capacity;
- (b) information regarding the legal and beneficial ownership of companies, partnerships, foundations and other persons,

including in the case of collective investment schemes, information on shares, units and other interests;

- (c) in the case of trusts, information on settlors, trustees and beneficiaries.

5. This Agreement does not create an obligation for a Party to obtain or provide ownership information with respect to publicly traded companies or public collective investment schemes, unless such information can be obtained without giving rise to disproportionate difficulties.

6. Any request for information shall be formulated with the greatest detail possible by specifying in writing:

- (a) the identity of the person under examination or investigation;
- (b) the period for which the information is requested;
- (c) the nature of the information requested and the form in which the requesting Party would prefer to receive it;
- (d) the tax purpose for which the information is sought;
- (e) the reasons for believing that the information requested is foreseeably relevant to tax administration and enforcement of the requesting Party, with respect to the person identified in subparagraph (a) of this paragraph;
- (f) grounds for believing that the information requested is held in the requested Party or is in the possession or control of a person within the jurisdiction of the requested Party;
- (g) to the extent known, the name and address of any person believed to be in possession or able to obtain the information requested;
- (h) a statement that the request is in conformity with the laws and administrative practices of the requesting Party, that if the requested information was within the jurisdiction of the requesting Party then the competent authority of the requesting Party would be able to obtain the information under the laws of the requesting Party or in the normal course of administrative practice and that it is in conformity with this Agreement;

- (i) a statement that the requesting Party has pursued all means available in its own territory to obtain the information, except where that would give rise to disproportionate difficulty.

7. The competent authority of the requested Party shall acknowledge receipt of the request to the competent authority of the requesting Party and shall use its best endeavours to forward the requested information to the requesting Party with the least possible delay.

**ARTICLE 5
TAX EXAMINATIONS ABROAD**

1. With reasonable notice, the requesting Party may request that the requested Party allow representatives of the competent authority of the requesting Party to enter the territory of the requested Party, to the extent permitted under its domestic laws, to interview individuals and examine records with the prior written consent of the individuals or other persons concerned. The competent authority of the requesting Party shall notify the competent authority of the requested Party of the time and place of the intended meeting with the individuals concerned.

2. At the request of the competent authority of the requesting Party, the competent authority of the requested Party may permit representatives of the competent authority of the requesting Party to attend a tax examination in the territory of the requested Party.

3. If the request referred to in paragraph 2 is granted, the competent authority of the requested Party conducting the examination shall, as soon as possible, notify the competent authority of the requesting Party of the time and place of the examination, the authority or person authorised to carry out the examination and the procedures and conditions required by the requested Party for the conduct of the examination. All decisions regarding the conduct of the examination shall be made by the requested Party conducting the examination.

**ARTICLE 6
POSSIBILITY OF DECLINING A REQUEST**

1. The competent authority of the requested Party may decline to assist:
 - (a) where the request is not made in conformity with this Agreement;
 - (b) where the requesting Party has not pursued all means available in its own territory to obtain the information, except where

recourse to such means would give rise to disproportionate difficulty; or

- (c) where the disclosure of the information requested would be contrary to public policy (ordre public) of the requested Party.

2. This Agreement shall not impose upon a requested Party any obligation to provide items subject to legal privilege, or any trade, business, industrial, commercial or professional secret or trade process, provided that information described in Article 4, paragraph 4, shall not by reason of that fact alone be treated as such a secret or trade process.

3. A request for information shall not be refused on the ground that the tax claim giving rise to the request is disputed.

4. The requested Party shall not be required to obtain and provide information which, if the requested information was within the jurisdiction of the requesting Party, the competent authority of the requesting Party would not be able to obtain under its laws or in the normal course of administrative practice.

5. The requested Party may decline a request for information if the information is requested by the requesting Party to administer or enforce a provision of the tax law of the requesting Party, or any requirement connected therewith, which discriminates against a national or citizen of the requested Party as compared with a national or citizen of the requesting Party in the same circumstances.

**ARTICLE 7
CONFIDENTIALITY**

1. All information provided and received by the competent authorities of the Parties shall be kept confidential.

2. Such information shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the purposes specified in Article 1, and used by such persons or authorities only for such purposes, including the determination of any appeal. For these purposes, information may be disclosed in public court proceedings or in judicial decisions.

3. Such information may not be used for any purpose other than for the purposes stated in Article 1 without the express written consent of the competent authority of the requested Party.

4. Information provided to a requesting Party under this Agreement may not be disclosed to any other jurisdiction.

**ARTICLE 8
COSTS**

Unless the competent authorities of the Parties otherwise agree, indirect costs incurred in providing assistance shall be borne by the requested Party, and direct costs incurred in providing assistance (including costs of engaging external advisors in connection with litigation or otherwise) shall be borne by the requesting Party. The respective competent authorities shall consult from time to time with regard to this Article, and in particular the competent authority of the requested Party shall consult with the competent authority of the requesting Party in advance if the costs of providing information with respect to a specific request are expected to be significant.

**ARTICLE 9
MUTUAL AGREEMENT PROCEDURE**

1. Where difficulties or doubts arise between the Parties regarding the implementation or interpretation of this Agreement, the respective competent authorities shall endeavour to resolve the matter by mutual agreement.
2. In addition to the agreements referred to in paragraph 1, the competent authorities of the Parties may mutually agree on the procedures to be used under Articles 4, 5 and 8.
3. The competent authorities of the Parties may communicate with each other directly for purposes of reaching agreement under this Article.
4. The Parties shall agree on other forms of dispute resolution should this become necessary.

**ARTICLE 10
ENTRY INTO FORCE**

This Agreement shall enter into force 30 days after receipt of written notification by the latter Party of completion of all legal formalities required for entry into force. Upon the date of entry into force, it shall have effect:

- (a) for criminal tax matters on that date; and
- (b) for all other matters covered in Article 1 on that date, but only in respect of taxable periods beginning on or after that date or,

where there is no taxable period, all charges to tax arising on or after that date.

**ARTICLE 11
TERMINATION**

1. This Agreement shall remain in force until terminated by either Party.
2. Either Party may terminate this Agreement by giving notice of termination in writing. Such termination shall become effective on the first day of the month following the expiration of a period of six months after the date of receipt of notice of termination by the other Party. All requests received up to the effective date of termination will be dealt with in accordance with the terms of this Agreement.
